TO THE CLASS OF 1957

These three years since your arrival at the Gray Castle seem to have gone quite rapidly in many ways. They have been eventful and pleasant with outstanding successes and interesting times interspersed with strenuous moments as well.

Some 530 of you are graduating from your Fall 1954 Sophomore Class of over 700 students. The drop outs have been quite heavy to other senior high and adjustment schools to jobs and the armed services and to other miscellaneous careers and destinations. Many of you have worked hard to earn your diploma and we are proud to be able to award it. Certainly your good habits and qualities that have made you successful here will be valuable to you in your future years.

I am pleased to congratulate seniors of 1957 in behalf of the ninety faculty members and to express our appreciation for your understanding, loyalty, good humor and friendly spirit. Many crises and challenges have been met successfully by your strong character.

You have selected your leaders well so that commendation is due to them. Our activities have been varied and extensive, sometimes almost too many it seemed, in boys' and girls' sports, ROTC, and Sergeanettes, as working members of clubs, on the staffs of the Russ, the Gray Castle, and Lit Parade, and in valuable activities. Among these energetic student groups is the yearbook staff. We may not realize the work entailed in planning and building this fine book which is in our hands today and will mean so much in the future. To Mr. Henry Wiegand, the editors and staff, we say thank you for your fine contribution.

In these last weeks I know that you all join with me in a feeling of gratitude to your many teachers, your counselor, activity sponsor or sponsors and particularly at this time, to the senior sponsors, led by Mrs. Marion Gilmore. The latter has given so generously of her time and strength and has so enthusiastically and consistently supported and worked with you seniors.

The Faculty and under-classmen join together in wishing you of the Class of 1957 the best in these months and years ahead and hope that you will visit us at the Old Gray Castle from time to time.

SERGEANETTES

These front groups not only performed during football season but, designed their uniforms and spent many hours sewing sequins. Three weeks before school started the drill team, fronts and officers began practicing their routines for the coming season which started with the 8th annual Football Carnival. The girls put forth all their efforts to make the half time shows spectacular. We looked forward to seeing them and we are proud of them. Each half time show portrayed dances and routines of the city of San Diego, such as the Fiesta and the Harbor Days.

I'm sure every Caver would like to thank our San Diego High Sergeantettes and Fronts for the splendid job they did during '57.

Third Row: Barbara Huchstadt, Ross Jean Hill, Gail McLaughlin, Judy Lutjens, Linnea Thomas, Peggy Jackson, Lois Carter, Margaret Lopez, Genevieve Villarin.

During the football season the Sergeanettes were a very active organization. At our home games the entire group put on the half-time show, portraying dances, and formations. The front groups added much to the enjoyment of our rallies. The Homecoming show was the highlight of the season, as the Sergeanettes performed the time show.

The Sergeanettes also appeared in the Shrine Charity game, the Annual Toyland Parade, and a Junior College Football game.

YELL LEADERS—Tom Peabody, Steve Bush, Hadley Batchelder

SONG AND YELL LEADERS

These song and yell-leaders, living up to their name, have added pep and enthusiasm to all our sports, as well as performing at some out-of-town games and pep rallies. With enthusiasm and strong loyalty, this year's song and yell leaders boosted our football team, and their spirit inspired the basketball boys to attain many victories. Led by our head song leader, Bobbie Bearden, and our head yell leader, Steve Bush, the song and yell leaders worked hard and secured results in enthusiastic response from the student body.

HOMECOMING

The men responsible for the great 24th Annual Homecoming program are from left to right: Mr. Cosimo Cutri, class of '46; sitting is Mr. John Quimby, class of '31; Mr. Al Smith faculty chairman; and Mr. Jerry Mac Mullen class of '16. Without the hard work of these men and their committees the '56 annual homecoming day would not have been the big success it was

The Alumni of the classes of 1916, 1931, and 1946 were present at the Homecoming Assembly where students reviewed some of the highlights of these class years. The climax of the assembly was the presentation of the Homecoming Queen, and her court, as the Giant Cave-man surveyed the activities from his mighty position.

The annual homecoming tea was held from 3 to 5 p.m. in the library study hall. The Women alumni out-numbered the men, but they all enjoyed themselves talking over old times and catching up on the news. After the tea the alumni had about an hour to go around sight-seeing on the campus before the dinner

The Alumni were also invited to attend a delicious dinner of roast beef or fish in the school cafeteria at six p.m. The finale of this fun packed day was the Annual Homecoming Dance held in the Balboa Park Club, preceded by the San Diego vs. Lincoln football game which ended in a 26-19 victory for San Diego.

Sue Chapin

Robbie Bearden, Gray Castle's head Song Leader, was chosen by the Seniors as our Homecoming Queen. The Seniors also chose Mary Kaneko as Senior Attendant. The class of '58 picked Sue Chapin as their Junior Attendant. The Sophomores decided that Betsy Cotton would best represent their class as Sophomore Attendant. The girls were honored at the assembly, the San Diego-Lincoln Football Game, and the annual Homecoming Dance at the Balboa Park Club.

FOOTBALL CARNIVAL RALLY

The eyes of the cavers were on the center of the ring of the Greatest Show on Earth, as the ring master stepped in the lime light and announced each act with a booming voice. Funny faced clowns and happy circus goers added to the excitement of the 8th Annual Football Carnival Rally

HOMECOMING ASSEMBLY

The Alumni of the Classes of 1916, 1931, and 1946 were present at the Homecoming Assembly, where students reviewed some of the highlights of these class years. The climax of the assembly was the presentation of the Homecoming Queen and her court as the giant Cave-man surveyed the activities from his mighty position

VESPERS

The Christmas season brought one of the finest musical programs of the year, with the San Diego Hilltop Choir presenting their vocal renditions of Christmas Carols from many countries. Under the Leadership of Mr. Maxwell, the San Diego Hilltop Choir has become one of the finest a cappella choirs in San Diego

SPECIAL ASSEMBLY

We were very privileged in having with us as speaker in a student body assembly the Reverend Bob Richards. Rev. Bob delivered a very inspiring message by relating his experiences in the Olympic Games. He gave examples of some of the outstanding athletes in the world today who have risen above their handicaps to arrive at their goals

PATRIOTIC ASSEMBLY

In the spirit of thoughtful remembrance of America's history, the contribution of three great men, George Washington, Abraham Lincoln, and Woodrow Wilson were reviewed in a special Patriotic Assembly. The Choir's contribution served to unify the assembly

SENIOR-FACULTY GAME

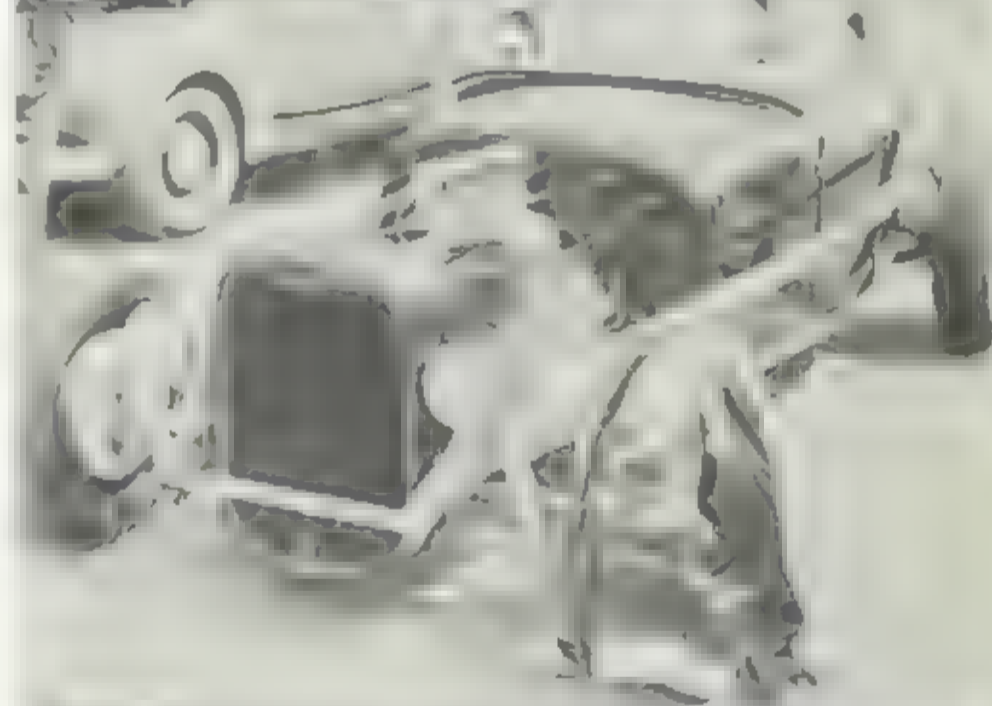

Both Seniors and underclassmen alike enjoyed this year's Senior-Faculty Game, although the Faculty prevailed by the lopsided score of 24-12. The afternoon was a gay one and the faculty songleaders, Miss Elliot, Miss Eaton, and Mrs. Cunningham added much to the hilarities. The Seniors were comforted by the fact that not many Senior teams ever get by the Faculty. We wonder why???

AUTO SHOW

On March 29th, the 1st Invitational Auto Show was held in Balboa Stadium sponsored by the A.S.B. Council. Three Classifications were shown: Custom, Street, and Street Competition. All of the cars were entered from the various car clubs in the San Diego area.

SENIOR ASSEMBLY

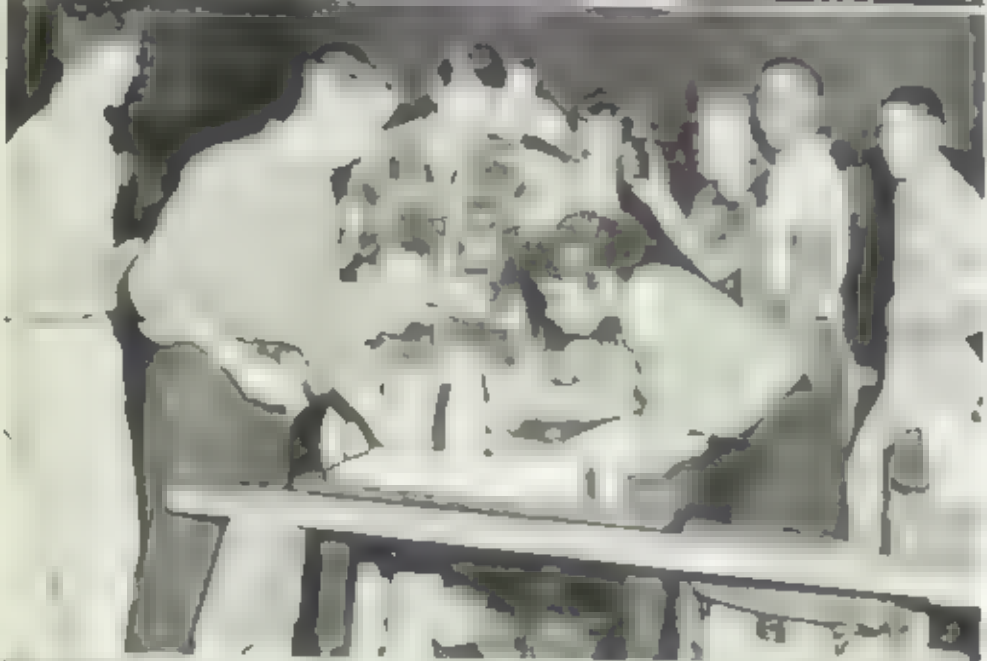

The Senior Assembly was held on March 28, 1957, to introduce the cabinet and its commissioners, and explain the duties that have to be done before a Senior activity can take place. Also the Seniors were shown how to change the tassel on their cap after receiving their diploma

HOWDY HOP

After the excitement of the first day of school, and things began to settle down, the A.S.B. Council sponsored the Annual Howdy Hop. It was given the first Friday of the school year, in the Boys' Gym from 7-11. Everyone came dressed in cottons and denims and danced to the music of the Mellowmen.

CO-OP HOP

The Co-op Hop was given jointly by the Girls' League and the Boys' Federation in the Girls' Gym. Everyone came as they were after school and danced to the music of three terrific bands. They were: The Velvetones, The Drifters, and The Mellowmen. This was the first event that was sponsored by both organizations

HOMECOMING

The classes of 1916, 1931, and 1946 were honored at the S.D.H.S. Annual Homecoming Dance. The highlight of the evening was the presentation of the Homecoming Queen and Her Royal court. The Balboa Park Club was filled with music made by the Mellowmen as the Alumni and Covers danced.

SADIE HAWKINS DANCE

Marry'n Sam Bonham hitched Daisy Mae-Ellen Pederson and Lil' Abner-Charles Davis under the watchful eye of Shotgun Petrich, while other dog patchers danced to the music of the Mellowmen. This annual event, sponsored by the Junior Class, was held in the Boys' Gym.

MID-WINTER MAGIC

Don Hansen and Beverly Woodgate were chosen King and Queen of the Annual Senior Christmas Dance. They were given this honor by the vote of the Covers at the Balboa Park Club. The Guys and Dolls were all dressed up and ready to dance to the music of the Gay-nighters

SERGEANETTES BALL

Her Majesty Marsha Baxter and escort Gene Emery reigned over the Sergeantettes Ball. This Semi-Formal occasion was given to announce the new officers and fronts for the season of '57 and '58. Seen dancing to the music of the Velvetones were honored guests and Covers

BASKETBALL HOP

This event was held after the Hoover-San Diego basketball game. Although we were defeated 54-48 the kids still had a wonderful time dancing and just having a lot of fun. The Mellowmen played until about 11:30 in the Boys' Gym.

WAIKIKI WIGGLE

This dance was given by the Sophomore Class in the Boys Gym. Everyone came very casually dressed, and danced to the music of the Velevtones. At the intermission lais were given away for the best dressed.

The Annual—the symbol of many hours of study, activities, and fun—has provided the annual staff with many hours of work, worry and a dash of enjoyment. While many students were attending games, assemblies, dances and classes, the Annual Staff has been working for you, taking candid shots, laying out pages, writing Senior listings and numerous other duties to make this Annual the Best-Ever—a book you will be proud of and a record of your three years on the “Hill;” something you will look at years from now and a smile will cross your face as you recall those happy memories

The Sophomore football team of the class of '59 supported one of the finest seasons of JV football the Hul has had in many years. With Coaches Jerry Dahms and Richard Otterstad at the helm, the Sophs rolled up seven wins against one loss. They tallied 158 points for the season while allowing their opponents only 44. At the end of the season the Soph's reigned as City Junior Varsity Prep Champions.

TENNIS TEAM Front Row, Left to Right: Fred Nobles, William Jones, Norman Karns, Arthur Tilton, Michael Sperber, Bruce Fetzer, Barry Landon, Ted Cranston, Larry Landon. Third Row: Robert Woolfolk, Mgr., Don Hanson, Steve Gordon, David Cafabart, Brian Kelly, Coach Crosby

Our basketball teams were among the tops in the city this year as the Varsity placed second in the CPL and the Junior Varsity tied with Mission Bay for first place in the CPL JV League.

A late season win spree carried the varsity Cavemen past Mission Bay and Lincoln to sneak into second place. Ed Johnson and Art St. Gilbert, both Juniors, were chosen as top forwards in the city and placed on the CPL first team.

In the first game of the SCIF playoffs the Cavers were dumped by the Sweetwater Red Devils 57-47 in a real "upset."

The team can look forward to a fine season again next year as five of the top six players this year will return as Seniors next year.

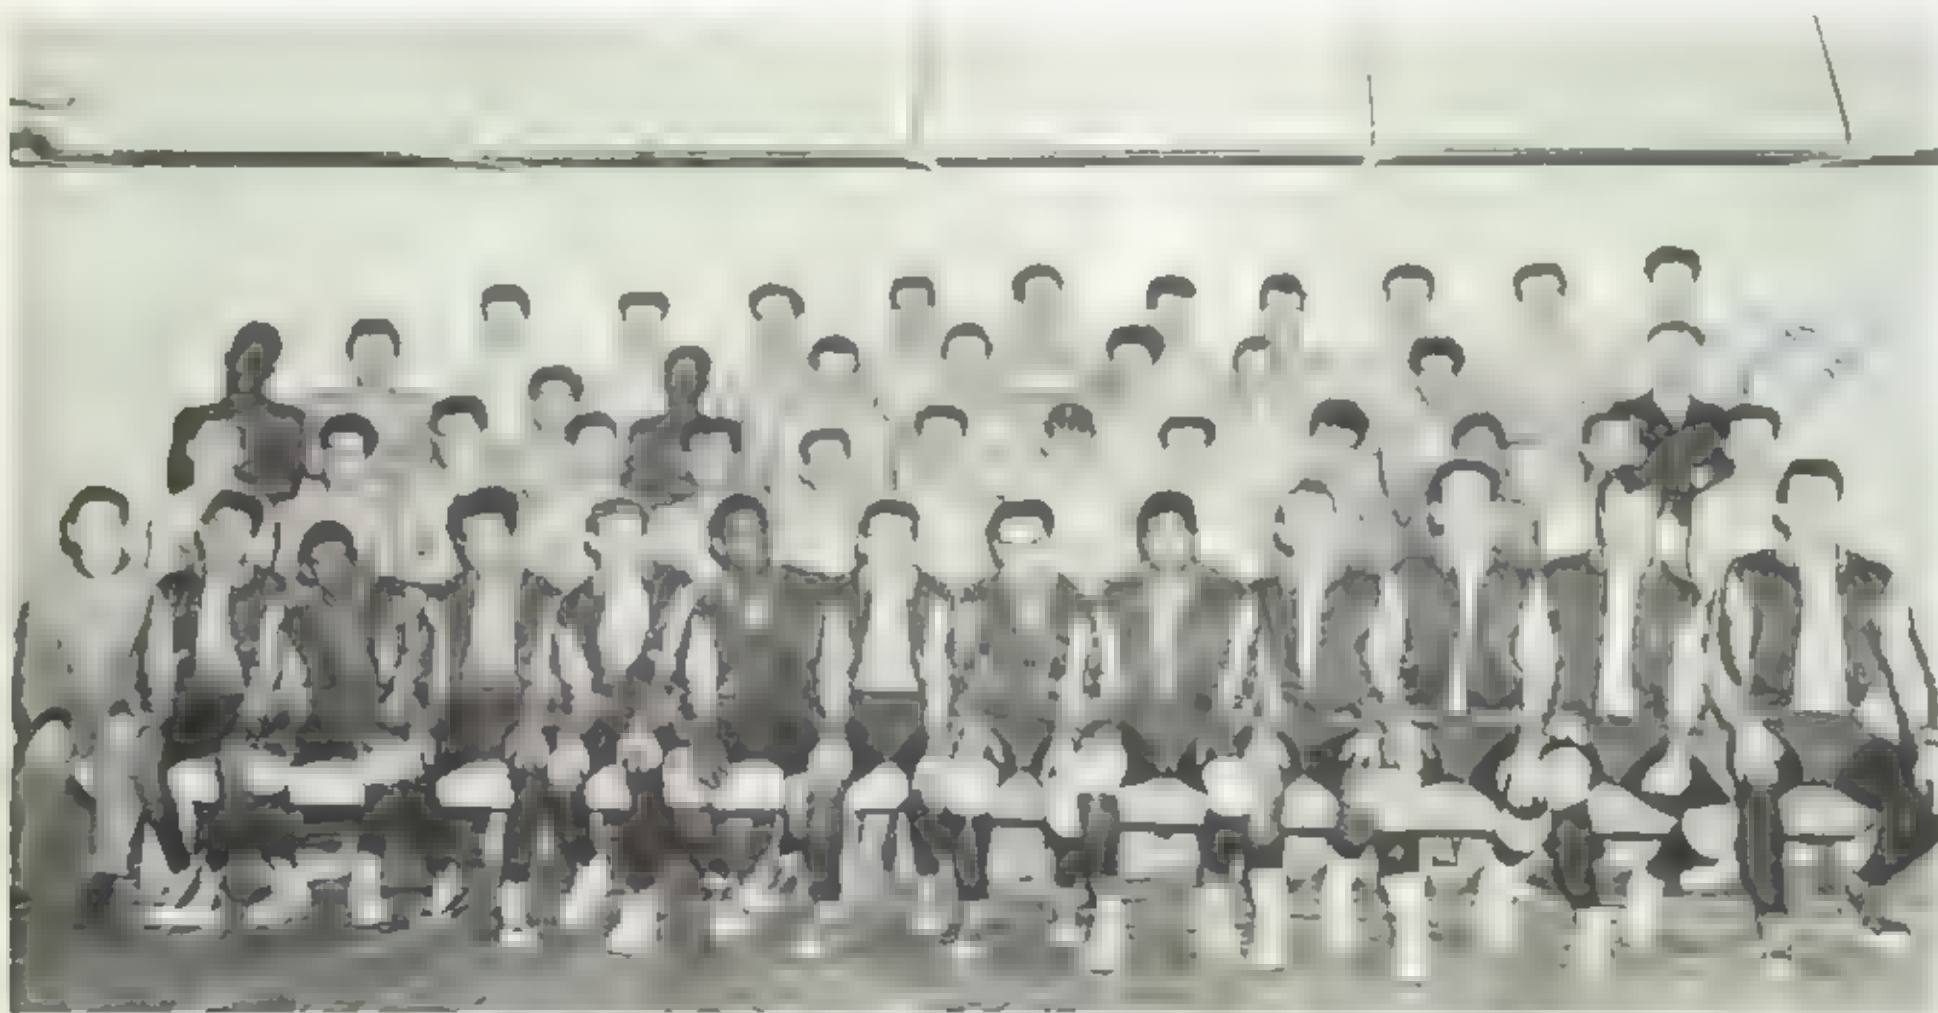

JUNIOR VARSITY BASKETBALL TEAM First Row (Left to Right): Richard Finney, Willie McCord, Ezell Singletary, Ed Tucker, Aaron Zukor, Jack Henn. Second Row: Coach Les Cassie, Mike Alessi, Andrew Wright, Jerry Cook, Sam Edwards Jr., Dennis Baker, Steve Andrews, Ed Ott.

Coach Frank Crosby

WRESTLING

The varsity wrestling team had a very fine season this year as far as dual meets went and wound up third in the SCIF. Kearny's wrestlers provided some very stiff competition this year. The Caver's dropped a practice meet to the Komets 22-21 and then came back in the City League meet to slip past the Kearny matmen 22-20. After losing a close meet to Yuma (25-21) the grunt and groan artists lost only one other meet besides the one to Kearny which was at the hands of Helix by the score of 26-20. At the finish of the season, Kearny, San Diego, and Helix were tied for the City League Wrestling Championship. San Diego then took third in the SCIF behind Kearny who placed first and Mira Costa second. Coach Frank Crosby, who has been coaching Cave wrestlers since 1930, had this to say about wrestling as a sport. "The fact that the number of teams in San Diego City jumped from two to five, and in the county from eight to sixteen is typical of the way wrestling is growing all over the nation. When all the local teams develop with experience, competition should be very keen and wrestling should take its legitimate place among the top sports in our athletic program."

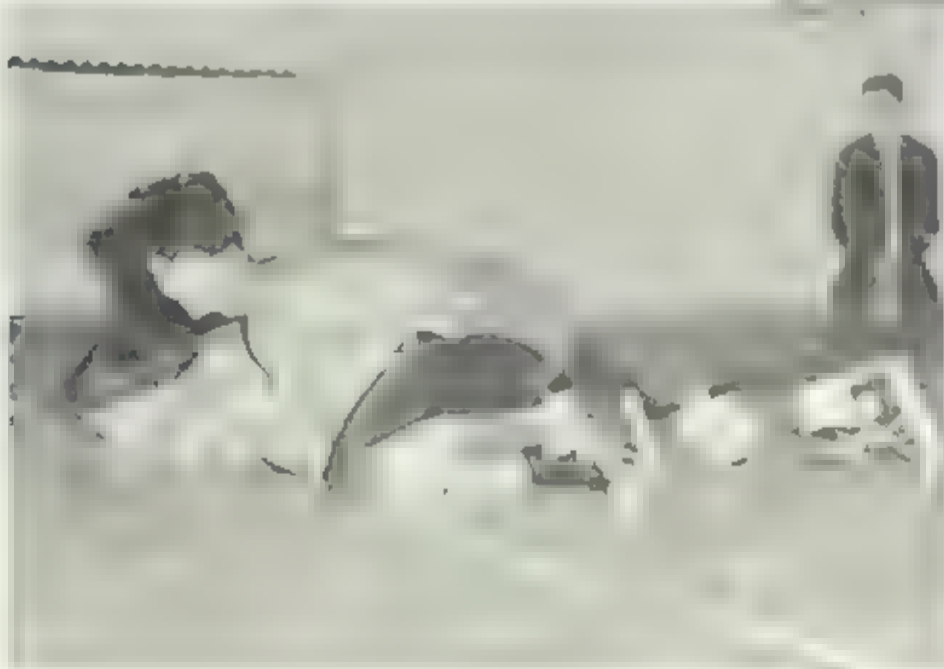

Front Row Left to Right Roger Murphy, Mgr., Sam Longoria, Fred Nobles, Tsuneo Kaneko, Ed Borya, Webb Watawer, Joe Scambreri, Joe Paine, O're Osborne, Jerry Roberts, Edward Ferras, Gary Becker, Roy Pharis. BASEBALL

Working under the expert tutelage of Les Cassie, the Hilltop Baseball team at press time was apparently on its way to cop both the Lions Invitational Baseball Tournament and the City Prep League Championship.

Rated as one of the top teams in Southern California, the Cavemen pasted Hoover, Kearny, Point Loma, La Jolla, and Lincoln.

TRACK

The Covers' victory over the Cardinals put them into a tie with Hoover and Lincoln for the City League Championship. The Cavemen also won the Class B and C CPL titles. In winding up the season the Covers had totaled 387 points against their opponents' total score of 198. The A class had a season record of 7 wins and 2 losses while the B and C teams had a total of 8 wins and 1 loss apiece. At press time the Cavemen look very promising on winning the City League finals.

The Cross-County teams under the coaching of Hank Wiegand "broke even" this year with a league total of three wins and three losses to take fourth in the CPL Cross-County standings.

The team placed fourth behind Mission Bay who defeated the Cavemen 27-29.

The Junior Varsity did considerably better as they took second place in the J.V. standings behind Hoover.

Ralph Holt received the award as the outstanding runner of the year for San Diego.

IN MEMORIUM

No man is an Island, entire of itself;
Every man is a piece of the continent, a part of the Main,
If a Clod be washed away by the Sea, Europe is the less . . .
Any man's death diminishes me, because I am involved in mankind .

—John Donne
